

### **Solid Waste and Recycling Questions**

**Q:** As a result of Hurricane Irene, my garbage was not collected on my regular scheduled day. Who should I contact to address this issue?

**A:** If your municipality has suspended the collection of garbage due to Hurricane Irene, the concerned citizen is advised to contact your municipality's Department of Public Works. However, if your garbage is collected under an individual private contract or agreement, then you are advised to contact the collection company that provides the service to your residence or commercial establishment.

**Q:** Due to Hurricane Irene, my recyclables have not been collected as scheduled. Who should I contact to resolve this issue?

**A:** If the collection of recyclables has been suspended as a result of Hurricane Irene, the concerned citizen is advised to call the recycling coordinator in the municipality where they reside.
